**A MESSAGE FROM OUR  
FOUNDER/CEO**

Dear XIXI NOW Family,

February is a month of celebration, reflection, and connection. At XIXI NOW Success Academy, we are thrilled to honor two significant occasions this month: *Valentine's Day* and *Black History Month*. Together, they remind us of the power of love, unity, and the enduring legacy of those who came before us.

As we celebrate Valentine's Day, let's extend kindness, appreciation, and care not just to our loved ones but also to our global community. Black History Month inspires us to reflect on the extraordinary contributions and resilience of Black leaders and visionaries whose legacies shape our present and future.

Let us embrace this month with hearts full of gratitude, ready to learn, grow, and continue creating a positive impact together.

With love and purpose,  
Dr. T.V. Wilson

# Celebrating **BLACK** HISTORY MONTH

## **Honoring Legacy and Leadership: Amelia Boynton Robinson & Dr. Yvette Mitchell**

As we celebrate Black History Month, we honor two extraordinary women whose legacies continue to shape lives—**Amelia Boynton Robinson** and her niece, **Dr. Yvette P.W. Mitchell**. These remarkable women, generations apart, share a deep commitment to justice, education, and community empowerment, proving that greatness runs in the family.

### **Amelia Boynton Robinson: A Trailblazer for Civil Rights**

Amelia Boynton Robinson, a fearless civil rights leader, played a pivotal role in the fight for voting rights. She was instrumental in organizing the **Selma to Montgomery marches**, which led to the passing of the **Voting Rights Act of 1965**. On **Bloody Sunday**, she was brutally beaten on the Edmund Pettus Bridge, but her resilience and sacrifice ignited national outrage and propelled the movement forward. Her legacy remains a beacon of courage and determination, inspiring future generations to stand against injustice.

### **Dr. Yvette Mitchell: Carrying the Torch of Education & Empowerment**

Dr. Yvette P.W. Mitchell, the beloved **Mother Yvette** of XIXI NOW Success Academy Worldwide, continues her aunt's legacy through education and community development. With over **40 years of experience in education management**, she has founded institutions like the **Mitchell Education Center** and the **Mitchell Children's Theatre**, providing opportunities for underserved youth. Her passion project, **Grandmom's Room**, supports grandparents raising children due to social challenges, ensuring that families receive guidance, mentorship, and community support.

### **A Legacy of Change and Impact**

Just as Amelia Boynton Robinson fought to uplift and empower Black communities, Dr. Mitchell is shaping future generations through education and mentorship. Her work with XIXI NOW allows her to expand her mission globally, influencing students, parents, and educators to create better learning environments. Her dedication to lifelong learning is evident as she pursues a second doctorate at 75, embodying the spirit of perseverance.

### **A Time for Celebration**

This Black History Month, we honor both **Amelia Boynton Robinson** for her groundbreaking contributions and **Dr. Yvette Mitchell**, who continues the family's tradition of leadership and impact. On **February 7th**, we celebrated **Mother Yvette's 75th birthday**, acknowledging her wisdom, strength, and unwavering commitment to shaping lives.

May we all be inspired by these incredible women to stand for justice, pursue knowledge, and uplift our communities. Their legacies remind us that the fight for progress is ongoing, and through education and activism, we can continue to make a difference.
